ACMA meeting days and location subject to change

Please watch the newsletter carefully this year as several of our meeting dates and locations have changed. North Austin Medical Center is kind enough to allow ACMA to meet at their facility for free and occasionally they need to use the room on our “usual” meeting date. We will send out extra invite reminders when the meeting is on a different date or a different location to remind you. We are sorry for the inconvenience.

Friendly Reminder: the November meeting will be on the third Tuesday, November 15th, at NAMC.
